DEPARTMENT OF APPLIED MECHANICS
FACULTY OF APPLIED SCIENCE AND ENGINEERING
UNIVERSITY OF TORONTO

TORONTO, Oct. 9th, 1919.

Sir Robert Falconer,
President,
University of Toronto.

Dear Sir:-

I beg to recommend John Brown for the position of Laboratory Attendant in the Department of Applied Mechanics at the salary of $600. for nine months.

Brown was Laboratory Attendant for some time before the war and left with the second contingent in the spring of 1915. We did not hear of him after spring of 1916, but he turned up this fall. His position had been promised him on his return.

We did not arrange for Brown's return in the estimates last spring. I wrote Dean Mitchell last week asking to get the extra $400. required for his salary.

Sincerely yours,

John McGowan

Appropriation in Estimates = $200. 9.
